PARIS 15 - Vaugirard - Sought-after and commercial area. RARE PROPERTY. This charming old house has been reconstructed by an architect and features a large garden and an artist's studio, offering a true countryside feel in Paris. Vendome Estate invites you to discover this rare and magnificent home, peaceful and spanning 230 m² of living space, with a beautiful private garden of 135 m², fully landscaped and planted. Built in the early 20th century, the house has undergone a tasteful reconstruction and renovation by an architect, showcasing Parisian charm with a chic bohemian touch. Elevated over 3 levels (R+2), this residence boasts a perfect layout and comprises:

- Ground floor: An entrance hall with a guest cloakroom, a spacious living room with a real fireplace, a dining area, and a fully equipped open kitchen, all opening onto a splendid tree-filled garden. This guarantees an escape into absolute calm despite the central location in the heart of Paris.

- First floor: A master suite featuring a large bedroom that leads to a sunny terrace (33 m²), along with a dressing room and a stunning bathroom with a toilet.

- Second floor: A children's area with 2 lovely bedrooms (with the possibility of a third), plus a bathroom and toilet.
- Basement: Entirely stone-clad, this space includes an old wine cellar with an organized workshop area.

At the back of the garden, there is a guest house (currently an artist's studio) of approximately 30 m², consisting of a living area and a bathroom with a toilet.
